

When a standard part does not exist to suit your application, then we can quote you on having a custom part made to your specifications. Alberta Casters Ltd. can provide **substantial savings** in tooling and piece costs for injection, vinyl dip, compression and transfer moulding of custom design parts. Whether you already have a drawing of the required part, sample of a part to be duplicated or you need us to design a part to suit your application, we can manage the whole project from prototyping, part approval through to the final part production and inventory management of your parts. For more information or part quotation, please contact our Custom Sales Department @ 1-800-772-5507 or 1-780-465-1024

# Our Terms and Conditions of Sale

## TERMS

Net 30 Days (upon approval of credit) or C.O.D. / Visa / MasterCard. All overseas orders must be fully prepaid before shipping by either Visa, MasterCard or bank wire transfer in U.S. dollars.

## Minimum Billing

\$50.00 per order

## Minipaks

For broken quantity lots, our **MiniPaks** are 1/5 the quantity of the standard carton of **stock items**.\*

If you require a custom broken quantity of a **stock items**\*, the price will be double the list price.

## Returns

Product returns will **only** be accepted back within 30 days of purchase with a Alberta Casters Return Goods Authorization (RGA) number. **no returns will be accepted on non-stock or special order parts.** Out-going freight is not credited. Returns are subject to a restocking charge of either 15% or \$25.00, whichever is more.

## Cancellation

Pricing is quoted based on the quantity indicated, and if such order is cancelled short of the quoted quantity and time period, the customer will be liable for cancellation charges. In the event of cancellation involving non-standard materials, colours and/or tooling, the purchaser assumes all responsibility and may be asked for immediate payment.

## Pricing

All pricing subject to change without notice.

## Claims

All claims for shortages or defective material must be made within thirty (30) days from date of invoice. Parts proving defective will be replaced or credited, but no claims for labor or damages will be allowed without our written consent.

\* check with our sales department

## Packing

Alberta Casters reserves the right to change the quantities in its standard carton consistent with current packaging and/or shipping practices.

## Contract

All contracts are subject to approval by an officer of Alberta Casters. All contracts are made contingent upon strikes, fires, accidents, clerical errors or other causes beyond our control.

## Credit

Unpaid invoice amounts shall constitute a lien on any merchandise ordered by customers but not yet shipped.

## Uses

The uses to which our products are put are solely within the discretion and responsibility of the purchaser and/or user. Purchaser of standard and custom parts assumes any and all liability arising out of, or in any way connected with, the use of such standard or custom parts and hereby agrees to indemnify Alberta Casters for such liability.

## Product Warranty

Our product is guaranteed to be free from defective material or workmanship for a period of ninety (90) days from the date of shipment, and this warranty shall be limited to the replacement of any defective product. Any part proving to be defective upon inspection at the factory will be replaced. No allowance, credits or reimbursements will be made for any returned products unless authorized by Alberta Casters. All returns must be accompanied with a Alberta Casters Return Goods Authorization (RGA) number.

*There are no warranties either expressed or implied which extend beyond the description above, including the implied warranty of merchantability and fitness for a particular purpose.*

## Quantities

Customer orders that have to be manufactured including non-standard colours or materials, custom parts or vinyl dip mouldings are considered complete with up to ±10% deviation of the quantity of parts ordered.

## Specifications

Standard catalogue items are quoted in accordance with our print. If customer's print deviates from our print in any form, customer's print will be considered null and void.

**Custom parts will be furnished in accordance with our print and/or specifications.**

## Freight terms

F.O.B. Brampton, Ontario. All rights and titles to merchandise transfer to the buyer upon delivery to the carrier.

## Maintenance Programs

Vendor Maintenance Programs are available on large quantity items and/or custom jobs.

## Environmental Statement

*Many of the resins used in the manufacturing of our products are thermoplastic materials. As such, our parts can be re-ground, re-melted and molded or extruded into other products. Our products are heavy-metal free and colored with only organic pigments.*
